

PROFESSIONAL SUMMARY

Experienced development professional with 15+ years of leadership in programs with the UN, USAID, Mercy Corps, and UNIDO in Iraq. Skilled in project coordination, planning, data analysis, monitoring & evaluation, and working with different stakeholders. Proven ability to lead teams and coordinate across organizations, designing program strategies and delivering results in complex situations. PMP-certified and experienced in using digital tools (Power BI, ArcGIS, Qlik, Excel) for data-based decision-making. Fluent in English and Arabic, and holder of an IMBA to strengthen business and management skills.

PROFESSIONAL EXPERIENCE

Senior Information Analyst (promoted from NOB to NOC)

October 2016 – Present

United Nations Assistance Mission for Iraq (UNAMI)

Iraq – Baghdad

(All annual performance from 2014 to 2025 have been rated as A - Exceeds Expectations)

- Led a 4-member analytical unit producing actionable situational reports for senior UNAMI leadership.
- Delivered timely regional trend analyses and data-driven insights that guided strategic planning and decision-making.
- Strengthened collaboration with UN agencies, international partners, and government counterparts to enhance inter-agency information sharing.
- Conducted field fact-finding missions across Iraq, collecting intelligence and evidence to support policy formulation and operational responses.
- Facilitated cross-cultural communication and stakeholder liaison, ensuring clarity between mission leadership and local actors.

Administration Officer (promoted from G level to N level)

February 2015 – October 2016

United Nations Assistance Mission for Iraq (UNAMI)

Iraq – Baghdad

- Managed administrative and human resource operations for the analysis unit (recruitment, onboarding, staffing, evaluations), ensuring compliance with UN policies and a high-performing team.
- Coordinated the unit's annual planning and budgeting processes, aligning resources with strategic objectives and preparing performance and financial reports for senior officials.
- Streamlined internal workflows (travel requests, documentation, record-keeping), improving operational efficiency and supporting seamless unit operations.

Communications Advisor (promoted to deputy head of unit)

January 2014 – February 2015

United States Agency for International Development (USAID)

Iraq – Baghdad

- Directed a communications and outreach team of 4, coordinating with partner NGOs and government stakeholders to implement justice sector initiatives.
- Chaired two multi-organization committees (30+ partner organizations), overseeing execution of annual work plans and producing comprehensive progress reports for donors.
- Authored weekly analytical briefs on project status and impact, pinpointing urgent issues and shaping civil society response strategies.
- Developed scopes of work and supervised short-term consultants and staff assignments, ensuring project milestones and deliverables were achieved.
- Formulated annual action plans for the program network and monitored their implementation, contributing to program strategy and continuous improvement.

Program Assistant

August 2011 – December 2013

United Nations of Industrial Development (UNIDO)

Iraq – Baghdad

- Assisted in designing and executing a national industrial zones program, liaising with government ministries, industry partners, and technical experts to meet project deliverables.
- Conducted economic and industrial research and drafted feasibility studies and reports, providing data-driven insights to inform project planning and stakeholder communications.
- Maintained project databases and provided daily security and situational updates to staff and leadership, enhancing information sharing and operational awareness.
- Prepared interactive presentations and analytical briefs addressing project challenges and recommending actionable solutions to improve project outcomes.

Information and Communication Outreach Officer

June 2008 – August 2011

Mercy Corps

Iraq – Baghdad

(Support Effective Advocacy for Marginalized group program & Empowering Women Peace Builders program (promoted to officer)

- Led outreach efforts for two nationwide advocacy and peacebuilding programs, liaising with local governments and NGOs to advance the rights of marginalized groups and women peacebuilders.
- Supervised a team of 4 and served as primary communications contact with the donor (U.S. Department of State/DRL), ensuring alignment on program objectives and reporting requirements.
- Oversaw content development and risk-reviewed publications for a multilingual web portal and SMS-based outreach, ensuring timely and accurate information dissemination to diverse audiences.
- Developed grant proposals and integrated stakeholder feedback into program design, securing funding and enhancing the impact of initiatives on vulnerable communities.

IT Manager

August 2007 – May 2008

Coalition Force/Civil Service Corps program (CSC)

Iraq – Kirkuk

- Managed an IT team of 5 to deliver 160+ digital civil service projects on schedule, modernizing government administrative systems under a U.S.-funded reconstruction program.
- Created Excel-based project tracking and reporting tools that improved quarterly performance analysis and informed strategic decision-making for program leaders.
- Developed and delivered IT training programs for staff and trainees, elevating technical capabilities and ensuring successful project implementation.
- Collaborated with donors to adapt project proposals and implement contingency plans, ensuring project objectives were met despite changing requirements and challenges.
